Florida Administrative Code 64E-9.005(2) Pool Modifications

(2) Modifications — Modifications include non-equivalent changes or additions to the recirculation system, treatment equipment, physical structure, or appurtenances. Replacement of the pool or spa shell is considered to be construction of a new facility and shall be processed as such.

The installation of new decking is not considered a modification if it is installed in conformance with 64E-9.006(2)(a), F.A.C and deck markings are upgraded per 64E-9.006(1)(c)3., F.A.C. Resurfacing the pool interior to original nontoxic slip-resistant and smooth specifications or equivalent replacement of equipment are not considered modifications. However, the following items shall be addressed during resurfacing projects:

- (a) The lip of the gutter must be leveled to within ¼ inch between the highest and lowest point and the downward slope from the lip to the drain must be maintained as originally designed or increased, but shall not exceed new construction standards.
- (b) Tile step markings must be installed meeting the requirements of subsection 64E-9.006(1)(d)3.
- (c) Where applicable the slope break marking must be installed meeting the requirements of subsection 64E-9.006(1)(c)2.b. and the safety line must be installed two feet before the marking.
- (d) Depth markers and NO DIVING markers must be installed in accordance with subsection 64E-9.006(1)(c)3.
- (e) The pool ladder must have a three to six inch clearance from the pool wall.
- (f) Should resurfacing works affect the step riser heights, no riser shall exceed 12 inches and the intermediate risers shall be made uniform.
- (g) When fiberglass is used to resurface a pool any existing tile shall not be covered by the fiberglass finish.
- (h) The County Health Department shall be notified in writing of any proposed pool resurfacing or upgrades to decking prior to commencement. The notification shall include an itemized list of all proposed work that is to be performed, the license number of the contractor selected and shall indicate that all work will meet the requirements of Section 64E-9.005 (2)(a) through (g), F.A.C.**
- (i). Upon completion of the work the licensed contractor shall provide the County Health Department a letter bearing their license number which certifies that the work was completed in accordance with Section 64E-9.005 (2)(a) through (g), F.A.C**
