

Sec. 11-24. - Fee schedule.

The following fees are hereby adopted to supplement the costs of issuing permits, licenses and approvals; performing inspections; reviewing plans and sites; and performing other services in the administration of this article and the Environmental Control Act [Appendix G, § 11-21 et seq.]. These nonrefundable fees shall be paid to the county health department. Fees for plan review, construction permits, site evaluation, appeals and local written approval shall be paid at the time of application. Fees for annual licenses shall be paid prior to the expiration of the existing license.

(1) *Annual license fees—Operational activities relating to the following shall require payment to the county health department of annual license fees:*

a. Reserved.

**Editor's note**— The provisions of this section dealing with child care licenses have been superseded by the provisions of Section F of Article IV of Chapter 1 of Appendix D to the County Code, and the provisions dealing with family day care licenses have been superseded by the provisions of Section F of Article IV of Chapter 2 of Appendix D to the County Code. These provisions have been removed at the direction of the county.

b. Air pollution activities (excluding Title V sources as defined by the Florida Department of Environmental Protection and facilities licensed as multimedia):

1. Fuel-burning equipment (excluding incinerators):

(a) Less than 100 million BTU per hour .....\$ 130.00

(b) 100 million BTU per hour or greater .....460.00

2. Incinerators .....225.00

3. Asphaltic concrete batch plants .....340.00

4. Concrete batch and block plants .....200.00

5. Minor permitted sources .....125.00

6. Other minor non-permitted sources .....75.00

c. Drinking water supply systems (excluding Limited Use Systems):

1. Up to and including 0.1 million gallons per day .....390.00

2. Over 0.1 million gallons per day up to and including 0.3 million gallons per day  
.....1,200.00

3. Over 0.3 million gallons per day up to and including 1.0 million gallons per day  
.....1,625.00

4. Over 1.0 million gallons per day up to and including 5.0 million gallons per day  
.....2,275.00

5. Over 5.0 million gallons per day .....3,250.00

d. Wastewater:

1. Private lift stations (facilities not owned or operated by a DEP licensed wastewater utility; discharging to a collection system owned or operated by a DEP licensed wastewater utility; and, excluding systems utilized by one or two residential dwelling units) .....200.00

2. Public Sewage Collection Systems and Treatment Systems with Capacities as follows:

(a) Up to and including 0.05 million gallons per day .....1,225.00

- (b) Over 0.05 million gallons per day up to and including 0.5 million gallons per day .....1,550.00
    - (c) Over 0.5 million gallons per day up to and including 1.0 million gallons per day .....1,600.00
    - (d) Over 1.0 million gallons per day up to and including 3.0 million gallons per day .....1,800.00
    - (e) Over 3.0 million gallons per day .....2,800.00
  - 3. Sludge/Biosolids disposal sites:
    - (a) Less than 50 acres .....4,875.00
    - (b) 50 acres or greater .....4,875.00 plus 2.50 for each acre over 50
  - 4. Septage, portable restroom, or portable or stationary holding tank waste handling:
    - (a) Septage stabilization facility .....400.00
    - (b) Service vehicle, per vehicle .....350.00
- e. Solid waste management facilities:
  - 1. Solid waste disposal sites (landfills):
    - (a) Class I .....3,000.00
    - (b) Class II .....(discontinued)
    - (c) Class III .....2,000.00
    - (d) Construction and demolition debris landfill .....1,000.00
    - (e) Yard trash and land clearing disposal sites .....1,000.00
  - 2. Solid waste transfer station .....1,050.00
  - 3. Permitted compost site .....2,275.00
  - 4. Solid waste processing facilities
    - (a) Waste processing facilities .....2,000.00
    - (b) Waste processing with recoverable screen material (RSM) production .....3,000.00
  - 5. Waste tire facilities
    - (a) Waste tire collection center .....500.00
    - (b) Waste tire processing facility .....750.00
  - 6. Registered yard trash processing facilities .....125.00
  - 7. Container to container solid waste facilities .....125.00
  - 8. Other regulated solid waste management facilities .....200.00
- f. Hazardous waste generators (excluding facilities licensed as multimedia):
  - 1. Greater than zero kilograms (zero pounds) per month but less than 25 kilograms (55 pounds) per month .....65.00
  - 2. 25 kilograms (55 pounds) to less than 100 kilograms (220 pounds) per month .....200.00
  - 3. 100 kilograms (220 pounds) to less than 500 kilograms (1,100 pounds) per month .....450.00

4. 500 kilograms (1,100 pounds) to less than 1,000 kilograms (2,200 pounds) per month .....550.00
  5. 1,000 kilograms (2,200 pounds) per month or greater .....650.00
- g. Multimedia:
1. Air & Hazardous Waste:
    - (a) Dry cleaning facilities producing less than 25 kilograms (55 pounds) per month of hazardous waste .....125.00
    - (b) Dry cleaning facilities producing 25 kilograms (55 pounds) per month but less than 1,000 kilograms (2,200 pounds) per month of hazardous waste .....275.00
- (2) *Plan review fees—Plan reviews performed by the county health department shall require payment of the fees provided below:*
- a. Child care facilities - New, remodeled, or change of ownership .....250.00
  - b. Family day care facilities .....50.00
  - c. Private or charter schools - New/Remodeled .....100.00
  - d. Migrant labor camps and residential migrant housing .....100.00
  - e. Mobile home and recreational vehicle parks .....100.00
  - f. Approval of building plans not specified in subparagraphs a—e above .....50.00
- (3) *Permit fees—The activities and facilities below shall require payment to the county health department of the fees indicated:*
- a. Permits for construction and repair of on-site sewage treatment and disposal systems (OSTDS):
    1. Application fee (in addition to fees required under Chapter 64E-6) for new, repaired, modified, or existing septic tank system .....50.00
    2. Automatic dosing system construction:
      - (a) Residential .....75.00
      - (b) Commercial .....125.00
  - b. Permits for construction of wells, monitoring wells (as defined in F.A.C. 40E-3.021(19)), and water supply systems:
    1. All potable water wells .....150.00
    2. Non-potable water wells:
      - (a) Monitoring wells per site (maximum 8 wells per permit) .....50.00
      - (b) All others .....100.00
    3. Well abandonment when not associated with a replacement well, per site (maximum 8 wells per permit) .....75.00
    4. Sanitary survey for each new community, non-transient non-community, and transient non-community water well .....125.00
    5. Construction permit for water distribution lines requiring PBCHD approval only (refers to lines requiring approval under Environmental Control Rule II, Sect. 11B.5 and exempted from DEP permits) .....500.00
- (4) *Fees for local written approval—Written approval of the activities below shall require payment to the county health department of the fees indicated:*

- a. Approval for use of permitted water system or distribution lines, per release (full or partial) .....50.00
- b. Open burning site evaluation (land clearing debris generated on-site):
  - 1. 2 acres or less .....25.00
  - 2. Greater than 2 acres but less than 50 acres .....75.00
  - 3. 50 to 100 acres .....150.00
  - 4. Greater than 100 acres .....200.00

Note: Open burning activities conducted off-site shall likewise be so assessed for each parcel of land that is cleared.

- c. Wastewater collection/transmission system release, per release (full or partial) .....50.00
- d. Utilization of on-site sewage treatment and disposal systems in subdivisions:
  - 1. 3—25 lots .....260.00
  - 2. 26—50 lots .....325.00
- e. Private wastewater lift station release .....100.00
- f. Fees for asbestos removal renovation and demolition of regulated structures for projects that submit notifications as required under the asbestos NESHAP rules. The appropriate fee shall be submitted with the required NESHAP notification.
  - 1. Projects involving removal of regulated asbestos containing materials<sup>1</sup>
    - (a) 160 to 420 square feet .....200.00
    - (b) 260 to 420 linear feet .....200.00
    - (c) 421 to 3,000 square feet or linear feet .....400.00
    - (d) 3,001 to 5,500 square feet or linear feet .....600.00
    - (e) 5,501 to 8,000 square feet or linear feet .....800.00
    - (f) Greater than 8,000 square feet or linear feet .....1,000.00
    - (g) 35 to 45 cubic feet .....200.00
    - (h) 46 to 54 cubic feet .....500.00
    - (i) 55 to 64 cubic feet .....800.00
    - (j) Greater than 64 cubic feet .....1,000.00

<sup>1</sup> Linear feet applies to piping. Cubic feet based on amount of asbestos containing material removed when linear feet or square feet cannot be determined.

- 2. Projects involving demolition of structures with the following square footage<sup>1</sup>
  - (a) Less than 30,001 square feet .....250.00
  - (b) 30,001 to 50,000 square feet .....500.00
  - (c) 50,001 to 70,000 square feet .....750.00
  - (d) Greater than 70,000 square feet .....1,000.00
  - (e) Mobile homes (per unit) .....50.00\*

\*not to exceed 1,000.00 per demolition phase

<sup>1</sup> Demolition fee may be waived if project was inspected under an asbestos removal renovation notification.

(5) *Fees for miscellaneous services — The following services performed by the county health department shall require payment of the fees indicated:*

- a. Approval of sanitary facilities for temporary events i.e., carnivals, circus, festivals, cook-outs, revivals, etc. ....50.00
- b. Appeals from Environmental Control Rule I [app. C, art. II, div. 2]:
  - 1. Single-family residence .....100.00
  - 2. All others, including, but not limited to multiple-family, commercial, or subdivisions .....125.00
- c. Appeals from Environmental Control Rule II [app. C, art. III, div. 3] .....100.00
- d. Facility reinspection fee for any reinspections after the first reinspection .....50.00
- e. Reissuance of transferable licenses pursuant to change of ownership .....25.00
- f. Sanitation and safety inspection of private or charter schools:
  - 1. 1 to 49 children .....175.00
  - 2. 50 children and more .....400.00
- g. Foster home inspection (per request) .....50.00
- h. Site visit for facilities not listed above (per request) .....85.00
- i. Community environmental health class, per person .....20.00
- j. Late fee for payments received 30 days or more after the due date .....35.00
